

Show your customers how smart their printing can be...

The unique bar codes on this page (known as a QR, or Quick Response codes and Microsoft® Tags) allow customers - and potential customers - to instantly learn more about your product or business via their smartphone. With Smart Printing we can create an interactive experience, such as:

TAKE THEM TO THE MOVIES

BRING EVENT TICKETS TO THEM

MAKE IT EASY FOR THEM TO CONTACT YOU

TAKE ADVANTAGE OF SPECIAL OFFERS

GIVE THEM DIRECTIONS

QR Code Reader:

Download the QR Code Reader app specific to your smartphone. We suggest BeeTagg or Quickmark.

Tag Reader:

Go to www.gettag.mobi on your smartphone and download the specific app for your smartphone.

The benefits of Smart Printing are almost endless...let your imagination run wild and let's discuss the possibilities. You won't be disappointed.
